Redefine What's Possible.

MUSEUM DAY

INTEGRATED PEDIATRIC THERAPIES

On Sunday, my family will go to the museum.
There will be many fun things to play with.

In the art room I can paint, draw,
or build something.

I can play in the grocery store!

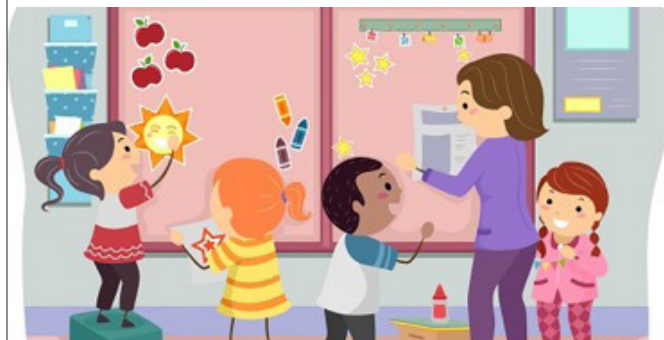

I can play in the water room
and I might get wet!

I can help build a house!

There will be a dog that I can pet
and say hello to!

There will be lots of other kids
and it might be loud!

Take a Break

I can tell my mom or dad that I need a break
and go to the quiet room!
