## ABOUT HIAS IMMIGRATION & CITIZENSHIP

HIAS Immigration & Citizenship has supported immigrants and refugees for over a century.

Founded to assist Eastern European Jewish immigrants in the early 1900s, the program has expanded over time to address the needs of various immigrant groups from around the world regardless of religion, race, or national origin. HIAS was particularly instrumental in the resettlement of Jews from the Former Soviet Union (FSU) from 1970 – 1990 and in the last 40 years, has assisted over 40,000 immigrants and refugees from the FSU, Eastern Europe, the Middle East, Southeast Asia, and Latin America.

Today, as part of JCFS Chicago's family of services and an affiliate of the national HIAS organization, HIAS Immigration & Citizenship is proud to provide an array of comprehensive refugee resettlement, immigration, and citizenship services to hundreds of individuals, helping them transition from strangers in a new land to contributors in their communities to proud American citizens. Our work is fueled by the Jewish values of *Tikkun Olam* (the repair of the world) and *Hachnasat Orchim* (welcoming others).

## WHAT IS REFUGEE CO-SPONSORSHIP?

Each refugee resettled in the United States is sponsored by a resettlement agency – that’s us! Co-sponsorship is an opportunity for HIAS Immigration & Citizenship to work in partnership with individuals, congregations, and organizations to ensure that each family’s needs are met, that their integration into their new community goes smoothly, and that they are on their way to self-sufficiency.

When refugees first arrive in Chicago, often with nothing more than a single suitcase, they are overwhelmed by a new language, new culture, and new environment. Together, we can help them understand and adjust to all that is around them and provide critical financial and social-emotional support.

In essence, co-sponsorship changes the lives of the refugees—and impacts yours in the process.

## WHAT IS EXPECTED OF CO-SPONSORS?

**We ask that each co-sponsor:**

1. Raise a minimum of \$10,000 for HIAS Immigration & Citizenship’s Welcome Campaign\*.
2. Set up their assigned family’s apartment prior to arrival.
3. Support their assigned family for a minimum of 3 months post-arrival.

**This includes:**

- Providing or purchasing furniture and household goods and setting up the family’s apartment before their arrival (list attached).
- Welcoming the family at the airport upon arrival.
- Preparing the family’s first meal and stocking their pantry with culturally appropriate foods\*\*.
- Assigning 3-4 volunteer tutors to work with the family on English language learning and/or homework assistance for school-aged children.
- Assigning 3-4 volunteer mentors to work with the family. Mentors may provide transportation to medical and other appointments, help the family locate and access community resources, and support the family with general acclimation and problem solving.

*\*The HIAS Immigration & Citizenship Welcome Campaign provides financial assistance for refugee families, as well as supports the activities and services of HIAS’ Refugee Resettlement program.*

*\*\*HIAS will provide support in understanding which foods are culturally appropriate.*

## WHY CO-SPONSOR A FAMILY WITH HIAS IMMIGRATION & CITIZENSHIP?

HIAS Immigration & Citizenship is the only Jewish refugee resettlement program in the Chicagoland area. We want to create a movement of Jewish welcoming inspired by Jewish values as well as the history and experiences of Jewish refugees who came before us. Mark Hetfield, President and CEO of HIAS National says: ***“We once helped refugees because they were Jewish. Now, we help refugees because we are Jewish.”***
