Hi, my name is _____. I'm a constituent who lives in _____ and I'm calling to ask _____ (name of elected official) to urge the Biden Administration to continue humanitarian evacuations from Afghanistan, and not just of those affiliated with the US, but also human rights advocates (especially women and girls), journalists, and religious and ethnic minorities, all of whom will face grave danger without immediate assistance.

I'd also like to ask _____ (name of elected official) to tell the Biden Administration to provide Afghans with expedited access to the U.S. resettlement program and the Special Immigration Visa (SIV) program, and to keep their promise of setting the refugee admissions goal for next fiscal year at 125,000, with appropriate staff and resources allocated to accomplish this important goal.

I stand for welcome, and I urge you to reflect the best of our nation by supporting Afghans in crisis.
